An ambitious engineering graduate with strong knowledge in ReactJs and basic knowledge Node.js, Express, MongoDB. Ability to learn things quickly and capable of working in a fast-paced and team-driven environment. Strong ability to execute full SDLC (Software Development Life Cycle).

Skills

ReactJS , Redux , REST API , i18next , Material UI , HTML, CSS ,Bootstrap, Git

Experience

Hexeam Software Solutions, Sahya cyber park, Calicut

(Jan 2023-present)

Junior Software Engineer

- Develop, write and implement software programming applications following established architecture standards as well as software development and project management methodologies.
- Write high quality code using the guidelines and effectively debug the code.
- Document the code changes, package the code, and unit test it
- Implemented state management using Redux for complex applications, ensuring a smooth user experience.
- Coordinate and communicate with the other tracks and disciplines involved in the project.
- Experience with API integration using axios

Projects

Trip planning and booking project

- Handled 6 modules and implemented new features and played a crucial role in bug fixing
- Implemented a dashboard application for data visualization using React.js, providing users with real-time insights through interactive charts and graphs
- Implemented Localization using i18next

Service booking project

- Converted an exiting project from Vue Js
- Write high quality code following MVC architecture

Consultation booking project

- Implemented state management using Redux
- Perform unit testing, ensure quality assurance of applications through system testing.

Customer relationship management project

- Collaborated with UX/UI designers to create a visually appealing and user-friendly interface.
- Organized and wrote modular, well-structured code.

Car rental booking project

- Developed a responsive interface, Implemented react packages for pleasant view

Education

Btech - Information Technology

Government Engineering College Idukki
2018 to 2022

Achievements

- Digital Badges:
https://www.cloudskillsboost.google/public_profiles/f453072c-0d0c-48a0-8c8b-7c68b4045dc3
- Google cloud schwags
- Attended Ethical Hacking Workshop from IIT Madras

Languages

English , Malayalam, Tamil
